

Holland,

I wanted to write you and let you know how much we enjoyed using your equipment and software system. It worked flawlessly.

Over the week of January 9-16<sup>th</sup>, 2010, we worked with a medical and dental team in Meambar, Honduras, and we saw 1102 patients as a team over a three day period. Our optical team handed out over 400 pair of glasses and treated over 500 patients during the three days in Meambar. But most importantly, the mission team was able to lead 118 people to saving faith in Jesus Christ.

Thank you for your help and commitment to this ministry. The Lord must be proud of the work that you are doing.

In Christ,

Marc Carozza, O.D.
