

Kendall Optometry Ministry, Inc.

Eyeglasses to see the Lord and the world.

**Why do I work in
optical ministry?**

- Came from a strong Christian background.
- Have a strong desire to bring others to Christ.
- Traveled to Honduras in 1999 to “Pay back the Lord”.
- The Lord had a plan for me.
- Returned with a God given PASSION to do it better.
- Formed Kendall Optometry Ministry, Inc. in 2003.

**I found eyeglasses to be a key
accelerant in Christian ministry.**

**Glasses not only allow a person to read their Bible
and learn more about the Lord but they also help
them improve their standard of living.**

When you are starving can you really think about becoming a Christian?

Success Stories

BEFORE and AFTER

This man came into the clinic and was blind in one eye and could barely see with the other. Since he could not see, he was without a job. He never attended church. We gave him a pair of glasses, a new Bible and invited him to start attending the local church.

Now this man has a job. He and his family are healthy and happy and he is a regular attendee at church. Notice that he is still wearing the same pair of eyeglasses. Eyeglasses and the Lord changed his life.

A pair of eyeglasses is 1 year of wages for this man.

This man's shirt is not dirty. It is threadbare and you can see his skin through it. We gave him glasses, a Bible & a new shirt.

Mommy can see me now.

The lady was nearsighted. She could not see her child play nearby & clung to her every minute. New glasses changed her life.
