To whom it may concern:

By means of this letter I would like to recommend to you my friend and co-worker, Holland Kendall. I have found him to be very faithful and true in all that he does.

He has planned and implemented the eyeglass ministry of Baptist Medical and Dental Mission International and in doing so has volunteered all his time and a lot of financial resources.

He has a very good knowledge and understanding of short-term optometric clinics and missions. I do not know of anyone who has a better grasp of this particular ministry than does Holland Kendall.

Therefore, I do not hesitate to recommend him and his services to you. I know that the services which he offers will be a great benefit to any short term mission ministry.

If you would like to talk directly with me, please feel free to give me a call or email.

Yours truly,

Dwight G. Carr
President
Baptist Medical and Dental Mission International
